

# Hempfield Area School District Scholarship and Charitable Foundation Funds

*Touching the future through scholarship and innovation*

The Hempfield Area School District (HASD) Scholarship and Charitable Foundation Funds aid district students and teachers by providing financial support beyond what is available through state and local funding. Money from the Foundation Funds supports those initiatives that fall outside the district budget – initiatives that would otherwise not be funded.

The HASD Foundation Funds support:

- 1) Student merit scholarships (*Scholarship Fund*)
- 2) Educational grants and special district projects (*Charitable Fund*).

Money is raised for the Funds from a variety of sources: donations, grants, and investment income. All donations are tax-deductible\* and used only in the HASD to benefit its students and extend and enhance its educational programs. A committee comprised of district, business, community, and philanthropic leaders governs and allocates the Foundation Funds.

The Community Foundation of Westmoreland County (CFWC), an affiliate of the Pittsburgh Foundation which is one of the country's oldest and largest community foundations, invests and manages the HASD Foundation Funds.

\* You will receive a letter or email from The Pittsburgh Foundation for tax purposes. Please save this as proof of your charitable gift. Canceled checks no longer constitute sufficient documentation to support a charitable tax deduction.
